The space

★ Florica, a young lady living in a nearby house, will receive our guests and help them with the check-in. During the stay, she will also be available for providing information or help when needed.

★ The property is owned by a family with German and Romanian roots. From the family, Mrs Wittmann lives in a nearby house and will not interact with tourists.

★ The house and surrounding amenities are exclusively available for our guests, who can enjoy:

- Terrace, lounge and rooms with stunning lake and mountain views
- Huge meadow garden with natural flowers and trees
- BBQ place with all the necessary utensils
- Hammocks
- Rustic picnic place
- Self-cooking in a fully equipped kitchen
- Plasma TV in the living room
- Board games
- Wi-fi

★ "Carpathian Home" is a fairy tale place with charming views of lake surrounded by meadows, forests, cliffs and mountains. You can enjoy these views and the nature sounds while taking your meal in the terrace, reading a book in the garden, relaxing in the lounge or walking outside the cabin.

★ The rooms' wooden furniture creates a relaxing and natural environment. Delightful window-

views of lake and mountains enhance the interior relaxing vibes.

★ We kindly ask our guests to treat the house with care and respect and keep the space and the surroundings clean.
