We want you to fully enjoy the Banat hospitality during the time spent between fir trees, sky and mountains. Near the crystal clear water where the trout is at home, where in the wilderness, besides the breeze, you can hear only the silence, where nature embraces you, we manage to offer you a drop of relaxation.

The design of the building is based on elements of traditional Tyrolean architecture, with a modernist touch. Being located in Grindeshti, a bay of Lake Gozna in Crivaia, Valiug, Gasthaus Grindeshti offers you a dose of peace and quiet, high class accommodation, recreation and outdoor activities in close contact with nature and last but not least, food that tickles your taste buds.

The cultural and culinary melting pot of the former Empire, which merged the quintessence of each ethnic group present on these lands, has molded the Banat spirit. Our pantry, called spait in our country, rich in Serbian zakuska, Balkan belly soup, German gombotz, Viennese snitel, Hungarian gulyas and Romanian sarmale, all of them we put a secret ingredient, a little bit of our soul and we offer them to you with love.
