

Tailored enduro events

At the request of the participants and by agreement, the traditional EnduRoMania activities can be organized as follows:

- Securing the sporting framework in consultation with the Romanian and European motorcycle federations (FRM/UEM);
- planning, preparation and organization of the EnduRoMania Classic and Anytime event with detailed documentation of the event (elaboration of the rules, definition and preparation of the information for the interactive map, description of the tourist highlights, etc.);
- organizing and conducting sporting events in the sense of the traditional EnduRoMania Classic or Anytime;
- further developing and maintaining the computer-based system for evaluating the results of the sporting event;
- Transfer (directly from the GPS navigation devices or by e-mail) of the registered track logs of each team, registration of the passed checkpoints and evaluation of the results, award ceremony, trophies and medals for the winners and certificates for all participants;
- The costs for such an additional program depend on the agreed scope of services.
